2017 Christmas Club Savings

We will be transferring all Christmas Club funds into your Share Savings account on October 16, 2017. If you have a Checking account, you can access these funds at the ATM directly from the savings when you are ready to shop, or you can transfer the funds from savings to checking (on home banking) prior to your shopping trip. You can transfer all funds at once or as needed. Use your debit card to pay for purchases (you must have transferred the funds into checking first). Say credit and sign for added protection from VISA. If you do not have an ATM card or checking but have home banking, you can still log in and request a check from your savings (all at once or as you shop)! For those that did not have a Christmas Fund, start your club account now and have a brighter holiday next year!

The Credit Union Board and Staff wish you all a Merry Christmas and Happy Holiday Season!
